The Karatu Estate farm is located in Oldeani, which is in the Karatu district in the Arusha region. The farm grows coffee on 200 hectares, has 500 employees in peak season, and is located near a game reserve where elephants are frequent guests. The average production per year is 2,750 to 2,780 of 60kgs bags. Karatu is working to get certified under new RFA standards. Their sustainability efforts include treating watering contaminated during wet processing to decrease impacts on the environment; keeping river reserves in their natural state, protecting them from illegal clearing and cultivation; and planting more than 10,000 trees to stabilize the microclimate.

CUPPING NOTES: Medium Acidity, Smooth Body, Caramel, Pineapple, Floral, Lingering Finish.
